**ROGERS COUNTY
EXTENSION**

Program Objective

This course is designed to educate interested residents in various areas of horticulture and gardening and to train these individuals to share their knowledge and experience with others in horticulture and environmental stewardship. This expertise will be used in assisting the horticulture programs offered through the Rogers County OSU Extension Service.

Program Designed For

- *Anyone with a high school degree or equivalent with a genuine interest in horticulture and who would enjoy sharing research-based information with others.
- *Basic computer skills are also needed for presentations, quizzes and correspondence.
- *Those interested in learning the latest OSU horticulture research results, techniques and practices.

Tuition Includes:

- Course Registration,**
- MG Training Manual, Handouts, Nametag, T-shirt, 3 Reference Books and background check**
- Cost: \$200 per student**
- Scholarships available based on need**

Is The Master Gardener Program For You?

To help you decide if you should apply to be a Master Gardener ask yourself these questions:

Do I want to learn more about the culture and maintenance of many types of plants?

Am I eager to participate in a practical and intense training program?

Do I look forward to sharing my knowledge with people in my community?

Do I have enough time to attend training and to serve as a volunteer?
(50 volunteer hours during class/intern year)

If you answered yes to these questions, the Master Gardener Program could be for you.
